SVCR GOVERNMENT DEGREE COLLEGE PALAMANER

As the college is a Government funded institution the main source of funds to our college is from Government of Andhra Pradesh and Government of India. Based on the instructions of our Commissioner of Collegiate Education, proposals are submitted to Government of Andhra Pradesh and Government of India on different needs and schemes. Once the amount is sanctioned, it is utilized optimally based on the requirement by forming different committees. The Committee members discuss the issues and make resolutions for optimal utilization of funds following the rules and regularization in force. In addition to the Government funds, the college administration also approaches prominent alumni and local philanthropists for additional funds.

The college has utilized all the funds to an optimum extent.
