## NSS VOLUNTEERS

## NSS VOLUNTEERS PLANTING AND CLEANING ACTIVITIES

### 02.03.2021

The morning session of the second day has been started with Swacchata Hi Seva and Shramadanam in the Berupalli village. As a part of Shramadanam Programme, the Camp officer along with the Volunteers as a sub groups organized a cleanliness drive. The total village is divided into five parts and cleaning work is assigned to five groups of NSS Volunteers. They were actively involved in the cleaning of the roads and sewage canals in the village. The roads and canals were cleaned by removing the weeds, grass and plastic waste.

Volunteers collected different saplings from the nearby nursery and brought them to the village for plantation. The saplings include medicinal valued and fruit bearing varieties like mango, black plum, neem, jackfruit etc. NSS volunteers in groups planted saplings in the school campus and along two sides of the road in the village. Later, they watered the saplings and also safe guarded them with plant guards prepared with the sticks and wire mesh. Finally, the volunteers discussed about the activities to be undertaken for the next day with the camp officer. Volunteers sang the NSS song and concluded the day by NSS clapping.

#### 3.03.2021

The entire village was cleaned on the 4<sup>th</sup> day of the camp. The students cleaned the sewage canals and the cow dung heaps in the midst of the village. Then a meeting was arranged for the villagers and awareness on utilizing the cow dung for different purposes is explained.
