## ACTION TAKEN REPORT ON FEEDBACK COLLECTED

2019 -20

1. The feedback is collected as per instructions of the Commissionerate of Collegiate Education, Andhra Pradesh. The stake holders are in need of more market oriented courses. As per their request proposals are sent for the new courses in Mathematics, Electronics and Computer Science as there is a high demand for the course.
2. The feedback is analyzed and found that the students are not happy with the new cluster system. Hence, the students are given priority to select a cluster of their own and the in-charges are instructed thus.
