<center>CIRCULAR</center>

The Department of History is going to conduct one field trip for the students of BA (three years) to the village Bapalanatham. They are going to make a study on the graves of the ancient man. The interested staff can join them.

OBJECTIVE OF THE PROGRAMME:

1. The students will have first hand knowledge on the ancient man.

2. They will study about the Hero stones that are available in that area.

REPORT :

The department of History organised one field trip to the village Bapalanatham. It is found that the place has traces of ancient man. The graves of ancient man are called as the Rakshagullu in the local terminology. To make a study on them the field trip is organized. The students went near them and studied the stones. The origin of the Hero stones (the stones in villages that say about the heroic deeds committed by them) is also explained to them. The students learnt a lot from the staff and they took the photos of the stones.

OUTCOME:

1. The students learnt the ancient history.
2. They come across the study made by Rober Bruce Foot.
