

M.A. (ENGLISH)

PROGRAMME SPECIFIC OUTCOMES

English is the window to the world. The modern times need more eloquence in English. The proficiency in English can be achieved through studying M.A. English. The more uses of the programme are:

1. **Teaching Field:** Being a teacher is an honor in the society. There are ample opportunities for the aspirants who go through English. There is a real dearth for the teacher of English in India.
2. **Journalism:** The journalist approach needs more eloquence in language. If one wants to become a good journalist he or she needs more knowledge in English. Hence, if an aspirant who wants to become a journalist must be in want of this course.
3. **Translators:** Knowledge has no bounds. A lot of knowledge is available in all the sources. To make it available to all one should learn English. Thus this course satisfies one to learn more and to translate whatever is learnt.
4. **Software offices:** A proficient linguist is very much needed in software companies also.
5. **Miscellaneous:** Language is a powerful weapon with which one can find myriads of opportunities in the world.
